

I was in so much pain.

When I first arrived I was in so much pain. From 1-10, I was a 9 ½. I'll tell you, I did not think the day would come when I would feel good again. Thanks to Doctor Horning, he made it happen for me. I can do flips. I will tell all my friends and family that suffer with not only back pain, but with anything and everything. He is a one of a kind doctor.

Thank you!

I LOVE HIM!

P.S. His staff is also great.
